

*Hi, my name is Kayla Wilsher. When I was 15 years old both of my parents were sentenced to 10-12 years in Federal Prison. During that time both of my brothers were incarcerated as well. At one point every member of my immediate family was in prison or jail.*

*In 2015, my church approached me and asked if I wanted to join the Jail Ministry with the Waco Regional Baptist Association. I immediately felt the Holy Spirit telling me to sign up! I have been on numerous mission trips from Mexico to Peru, but this would be my mission field. The first time I went, to say that I was nervous would be an understatement, but after I shared my testimony several women were SAVED!*

*Being a part of the Waco Regional Baptist Association has changed my life completely. I know going to the jail on Sundays is totally my calling from the Lord.'*

## WHO ARE WE?

The WRBA has been a part of Jail Ministry for many years, but there is a bigger need than just ministering within the jails.

Many other people are affected by crime and the consequences. *Restorative Justice/Jail Ministry* was created to serve the offenders in jail, ex-offenders once they are released, family members of the offenders, and those affected by the crime.

These people are often overlooked, usually because it's unclear how best to support them. Restorative Justice/Jail Ministry will help the community pull together to address these issues.

“And as we let our own light shine, we unconsciously give other people permission to do the same.”

-Nelson Mandela
